Glastonbury, CT 06033

IMPORTANT FORKLIFT INFORMATION

Forklift services will be limited at the Hartford Home Show.

It is highly recommended you bring your own pallet jack for an easy move in and move out.

Forklift Service Procedure:

- Bins will be provided at the load-in area for your convenience, please place your booth materials into the designated bins.
- A forklift will then transport the materials to the load-in door.
- Once your items are at the load-in door, you are to unload at the door and bring your materials to your booth.
- This is an optional service. You will be permitted to use your own pallet jack and/or hand carry materials to your booth.

Thank you for your cooperation and have a great show!
